## **Childcare Area Rules and Guidelines**

The Babysitting room and Indoor Playhouse are intended for people using the facilities in this building. You may **not** leave the building when your child is in our care. If you leave the building, you will be prohibited from using our services in the future.

1. **Reservations are required for infants who are not yet walking and children requiring special accommodations 48 hours in advance.** Please call the Babysitting room at 907-9600 to make a reservation. (Infant max: 3 per hour). There is a one hour time limit for infants and a two hour time limit for all other children.
2. Please sign your child in with our staff and they will give you a matching parent to child identification tag. You must sign your child in and out every time you visit the child care area.
3. **No food or drink is allowed in the child care area.** This will help maintain a sanitary environment as well as avoid choking hazards and children who have food allergies. Infants should be fed prior to entering the babysitting room. Bottles will only be given if absolutely necessary.
4. **The babysitting staff can not change diapers.** If your child is still in diapers, please bring him/her in a dry diaper. You will be required to change your child's diaper. Child size bathrooms are available within the babysitting room. The staff will assist as needed.
5. We ask that you not bring any personal items in the childcare area, as we are not responsible for lost or stolen items. Please mark items that are necessary with your child's name i.e. diaper bags, strollers, bottles.
6. If your child has been ill i.e. fever, rash, cough, or mucus, we ask that you not bring them into the childcare area. Any child that has had a fever must be fever free for 24 hours before entering the child care area.
7. If your child cries inconsolably for 15 minutes, we will have to come and get you.
8. **Indoor playhouse:** Children must be 3 years old. Shoes are not worn in the playhouse area. **Socks are required.** Appropriate behavior is expected. Children not following the rules will be asked to leave. Staff members may modify rules based on circumstances. The indoor playhouse will close during scheduled birthday parties.

We thank you for your cooperation. We want your experience to be both fun and safe!
